Spelling Better for Teachers

Spelling Bee Invitation Letter for Families

Teachers and school organizers writing to parents, carers and families

Dear families,

We are delighted to invite you to the _____ (school name) Spelling Bee.

Date: _____ Time: _____

Place: _____

Students have been practicing their spelling and vocabulary in class, and the bee is a chance to celebrate their effort. Every speller who takes part should feel proud, whatever the result.

Parents, carers, grandparents and other family members are all welcome. If you or your child need any support to take part or attend, such as seating, access or language help, please let us know and we will do our best to help.

You can help at home by reading the study list together, asking your child to spell a few words aloud, and talking about what the words mean. Short, relaxed practice works well.

If you have any questions, please contact _____ at _____.

Thank you for your support. We hope to see you there!

Kind regards,

_____ (name and role)
